things  
clearly.

# PUT SIMPLY

---

**Nobody likes life to  
be complicated,  
let alone finance.**

---

We are working with industry experts to create a 'Put Simply' video series so you can discover in simple terms how the finance industry works!

Whether you're a student studying finance, or starting out in the industry, or you're just curious to know more about how things work, we've made it simple to understand the world of finance.

## Family Support

The Jersey Finance team is proud to support The Grace Crocker Foundation, in a new three year strategic partnership.

The team at Jersey Finance will provide support to the foundation through practical skills, knowledge and expertise of its staff on a voluntary basis.

Good  
for  
business.

# Building Better Futures

Every day, Jersey's finance industry works with the right people to create a safe and secure environment for investors, helping to build better futures both here in Jersey and internationally.

## Did you know?

Jersey has been a leading international finance centre for nearly 60 years.

Proud  
to be part  
of Jersey.

As the promotional body of the finance industry, Jersey Finance is proud to promote a positive and caring culture. We are always delighted to welcome students into our workplace to learn more about our industry, grow their knowledge and confidence and make new friends! Here is what some of them have said:

### **Cristiana**

Students can gain experience in different industries that they may not be very confident in and it also builds students' confidence and prepares them for the future.

---

### **Finlay**

I have broadened my knowledge of the finance industry and have received more knowledge that was needed, which I enjoyed.

---

### **Jack**

I would definitely recommend the Life in Finance scheme to others, as I believe it was a good opportunity to gain a greater understanding of an industry which is very important to Jersey.

---

### **Marta**

The Life in Finance scheme opens up a good opportunity for students and allows them to see clearer what it is they want in their future career.

---

### **Myles**

I feel I have achieved a greater insight into finance from my placement, as well as gaining connections with people which could be helpful.

---

### **Nina**

Through Jersey Finance's Life in Finance scheme, I have a better understanding of the finance industry, learnt new skills and improved on others like communication skills.

**The finance industry  
is proud to be part  
of Jersey, working  
together with local  
industries and people  
to build a better future.**
