# Why Finance?

**Finance is Jersey's largest industry, employing more than 13,000 people, around a fifth of the local workforce. Not only is it an exciting and rapidly-evolving industry, it also offers a wide range of great roles across a variety of different sectors.**

You can be a part of this thriving sector and embark on a career which will offer many opportunities, both professionally and personally, whilst being proud of the fact that your contribution is helping our Island remain prosperous, now and in the future.

What's more, employers are looking more closely at elements of their business that many people naturally value more and more, such as flexibility, remote working, wellbeing and social responsibility.
