

Jersey: The Clear Choice
for Family Offices

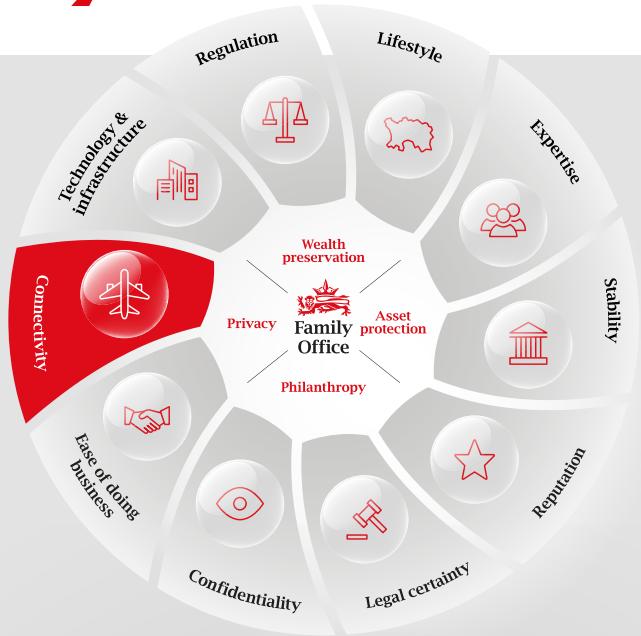

Connectivity

**“Connectivity in today’s day
and age is absolutely vital.”**

- Rupert McCammon, Managing Director, Capital Africa

Jersey has direct flights to key UK
business centres, facilitating fast and
frequent travel opportunities to major
European and worldwide destinations.

Location and transport links are
some of the reasons Jersey’s finance
industry professionals call Jersey home.
Jersey overlaps with both east and west
time zones – a clear advantage for an
international finance centre.

Transport links

As an island, Jersey blends unique local charm with a globally connected international finance centre, a centralised time zone and convenient transport connections to the rest of the world.

- Overlaps with both east and west time zones
- Facilities to charter private planes at Jersey Airport
- 1 hour average flight time from the UK
- Located 85 miles from England, and 14 miles from France
- Regular ferries to and from St Malo in France as well as Portsmouth and Poole in the UK
- 1,000 berths across three award-winning marinas all of which are close to the town centre of St Helier
