Life in Finance 2022

The Jersey Finance Life in Finance scheme offers sixth-form students a 'taster' of working in the finance industry through work placements with our Member firms. The scheme gives students the opportunity to learn more about the variety of roles available within finance and gain a valuable insight into what the industry is all about.

This is a 1-2 week work experience scheme during the Summer months.

What will you gain from the Life in Finance scheme?

- Introduce Jersey's young talent to your company and the Island's thriving industry
- Meet potential employees of the future
- Educate local talent and provide a 'taster' of careers in finance
- Island-wide exposure for your company's brand and profile

Meet and Greet Event - 18 May 2022

Our Meet and Greet event is a great opportunity to meet the students and get to know prospective candidates.

Pre-event

Invitations and an event running order will be sent out a month in advance.

Event

Conducted in a 'speed date' style, you will have roughly 5 - 10 minutes with each student.

Post-event

After the event, you will be sent a selection form where we will ask you to note down which students are of interest to your firm, in order of preference.*
Jersey Finance will then collate all of your selections and make a match as best as possible.

Once you are happy with your match, we will then notify both parties of placement confirmation(s) via email by 6 June 2022.

**Please note you can offer more than one placement.*

Following the completion of all placements, we would like to feature all students and participating companies in our Life in Finance Gallery and Jersey Evening Post features.

Life in Finance is a rewarding experience for students and companies alike, so get in touch and be part of Life in Finance!
